The Clerk of the Legislative Assembly read the Proclamation as follows:

PROCLAMATION

(*Sgd.*) JOHN J. BOWLEN,

HEREIN FAIL NOT.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of Our Province of Alberta to be hereunto affixed.

WITNESS: The Honourable John James Bowlen, Lieutenant Governor of Our Province of Alberta, in Our City of Edmonton, in Our Province of Alberta, this 18th day of December, in the year of Our Lord One Thousand Nine Hundred and Fifty-two, and in the First year of Our Reign.

BY COMMAND:

(*Sgd.*) CLARENCE E. GERHART,
Provincial Secretary.

The Members having been duly sworn in by His Honour the Honourable the Lieutenant Governor and having subscribed to the Roll containing the Oath, took their seats.

His Honour the Honourable the Lieutenant Governor entered the Assembly and took his seat on the Throne:

The Provincial Secretary then said:

"I am commanded by His Honour the Honourable the Lieutenant Governor to inform you that he does not see fit to declare the causes of the summoning of the present Legislature of this Province until a Speaker of this Assembly shall have been chosen according to law; but today at the hour of 3:15 o'clock His Honour will declare the causes of the calling of this Legislature."

His Honour the Honourable the Lieutenant Governor then retired from the Assembly.

The Premier, the Honourable Ernest C. Manning, addressing the Clerk, nominated Peter Dawson, Member for the Electoral Division of Little Bow, to take the Chair of this Assembly, as Speaker, seconded by the Honourable Dr. Cross.

The Clerk, having asked if any Honourable Member had another name to propose as Speaker, and no other name being proposed the Clerk of the Assembly then declared "that Peter Dawson, Honourable Member for Little Bow, is duly appointed Speaker of this Legislative Assembly according to law".

The Speaker retired, and re-entered the Assembly, robed, accompanied by His Mover and Seconder, and standing on the

upper step of the dais, thanked the Assembly for the honour conferred upon him with the following speech:

"Members of the Legislative Assembly:

I appreciate very much the honour you have conferred upon me today in electing me for the fifth term to act as Speaker in this Assembly.

As your Presiding Officer during a long period of time and the varied experience which I have gained enables me to say with some assurance that it will be my great endeavour to exercise the powers, privileges and rights of the Chair to the best of my ability, at the same time to respect and hold in high regard all the liberties, privileges and rights of the Members of the Assembly.

In the fulfilment of those duties I am confident of your co-operation in assisting me to maintain the dignity and decorum of the Assembly according to ancient usages. I thank you."

The Speaker then took his seat and the Mace was placed on the table by the Sergeant-at-Arms.

His Honour the Honourable the Lieutenant Governor returned to the Assembly and took his seat on the Throne.

Mr. Speaker then said:

"May it please your Honour, the Legislative Assembly have elected me as their Speaker, though I am but little able to fulfil the important duties thus assigned to me.

If in the performance of those duties I should at any time fall into error, I pray that the fault may be imputed to me and not to the Assembly, whose servant I am and who, through me, the better to enable them to discharge their duty to their Queen and Country, hereby claim all their endowed rights and privileges, especially, that they may have freedom of speech in their debates, access to your person at all reasonable times, and that their proceedings may receive from you the most favourable consideration."

The Provincial Secretary then said:

"I am commanded by His Honour the Honourable the Lieutenant Governor to declare to you that he freely confides in the duty and attachment of the Assembly to Her Majesty's person and Government, and not doubting that their proceedings will be conducted with wisdom, temper and prudence, he grants and upon all occasions will recognize and allow their constitutional privileges.

I am commanded also to assure you that the Assembly shall have ready access to His Honour the Honourable the Lieutenant Governor upon all suitable occasions and all their proceedings as well as their work and actions will constantly receive from him the most favourable consideration."

His Honour the Honourable the Lieutenant Governor then read the following Speech from the Throne:

SPEECH FROM THE THRONE

MR. SPEAKER AND MEMBERS OF THE LEGISLATIVE ASSEMBLY:

It gives me much pleasure to welcome you to this First Session of the Twelfth Legislature of the Province of Alberta.

This being the first session since the general provincial election of last August, I wish to extend greetings to all those who for the first time are present in this Assembly as representatives of the people of this Province. I am certain that all of you will carry out your duties in a manner justifying the trust and confidence placed in you by your electors.

As Her Majesty's representative, I would draw your special attention to the forthcoming Coronation of Her Most Gracious Majesty, Queen Elizabeth the Second, on June 2nd of this year. I am sure all our people are looking forward with anticipation to this important event and will join with all the peoples of the Empire in expressing their devotion and loyalty to Her Most Gracious Majesty on that historic occasion.

During the past year our Province was visited by His Excellency the Right Honourable Vincent Massey, Governor General of Canada. His warmth and friendliness prompted an enthusiastic welcome wherever he travelled in Alberta and we hope His Excellency will honor us by a further visit to our Province in the near future.

The initiative of our farmers, aided by favourable weather conditions throughout the growing season, resulted in new production records being established for all farm crops during 1952. In respect to livestock, however, the disastrous outbreak of foot and mouth disease in Western Canada resulted in the imposition of domestic and foreign embargoes and depressed prices which inflicted heavy financial losses on many of our producers.

The appearance of rabies in the wild life of Northern Alberta and its threat to human life and domestic animals has created a situation requiring effective remedial measures. My Government has instituted a comprehensive program designed to meet this emergency and you will be asked to approve the necessary expenditures involved.

In keeping with its policy of encouraging sound, agricultural development my Government proposes to expand still further its comprehensive program of agricultural services. You will be asked also to approve substantial appropriations for the St. Mary and Milk River Irrigation Development Projects.

In the matter of rural electrification, you will be asked to provide additional financial assistance to Rural Electrification Co-operative Associations to assist in bringing the benefits of electrification to the largest possible number of farms. Every

effort will be made to promote greater use of electricity on farms already served and to ensure that it is used in the most efficient manner possible.

The program that has resulted in the progressive and orderly development of the natural resources of the Province under a system of competitive individual enterprise will be continued by my Government during the ensuing year. This development is proving increasingly beneficial to the people and the economy of this Province and to Canada as a whole. Effective conservation measures and all other steps necessary to protect fully the interests of our people in their natural resources will continue to receive the constant attention of my Government.

Amendments to the Oil and Gas Resources Conservation Act and the Mines and Minerals Act will be placed before you for your consideration.

Substantial progress has been made in the aerial survey of our forest resources and this work will be completed at the earliest possible date. In keeping with the importance of our forested areas, you will be asked to approve increased appropriations to ensure their adequate protection and conservation.

Land settlement policies currently in effect are attracting large numbers of settlers to the undeveloped farm lands of the Province. Survey work will be continued in the Peace River and Grande Prairie areas to ensure a continuous supply of new lands available for settlement. You will be asked to approve amendments to the Public Lands Act to facilitate homestead lessees becoming established on public lands.

In the field of public health, an extensive program designed to provide increased benefits for our people will be presented for your consideration. You will be asked to amend the Mental Diseases Act to provide for psychiatric wards at the University Hospital in Edmonton and at the General Hospital in Calgary.

An amendment will be proposed to the Health Unit Act to permit municipal nurses to provide municipal nursing services within the boundaries of a Health Unit. Measures to assist and encourage young women to enter the nursing profession through the payment of grants to Nursing Training Schools will be submitted for your consideration.

To ensure hospital and medical benefits for a larger number of our aged citizens, you will be asked to approve an increase in the allowable income of pensioners receiving Old Age Security and who qualify otherwise for these services.

Authority will be requested to enable my Government to subsidize the cost of hospital extras and to reimburse Municipalities and Municipal Hospital Districts an amount not exceeding 50% of the cost of providing hospital extras for their residents.

Legislation will be introduced to provide pensions for certain of our people suffering from chronic disabilities which render them unfit to obtain gainful employment.

To assist municipal taxpayers in meeting the rising costs of education, increased appropriations for school grants under a revised formula will be submitted for your approval.

You will be asked to consider amendments to the School Buildings Assistance Act to provide increased provincial aid in meeting the continued high cost of necessary new school construction.

To encourage and assist high school graduates to obtain a University education, a revolving fund will be established from which qualified and deserving students may obtain loans for this purpose.

During the ensuing year, my Government plans to undertake the most extensive highway construction program in the history of the Province and for this purpose you will be requested to approve very substantial appropriations. This new program will be projected over a four-year period and has been designed to provide, as rapidly as possible, a province-wide network of good all-weather highways and roads. Particular emphasis will be placed on improving local and market roads in Municipalities and Improvement Districts.

An extensive construction program is contemplated by the Department of Telephones to meet the unprecedented and sustained demand for telephone service, both local and long distance. You will be asked to approve substantial capital borrowings from the Provincial Treasury for this purpose.

In keeping with my Government's policy of allocating an equitable share of provincial revenues to help meet necessary increased municipal expenditures, you will be asked to approve substantially larger appropriations for this purpose.

In the matter of municipal capital expenditures, a program will be submitted for your approval which has as its ultimate objective the financing of all necessary municipal capital borrowings from provincial funds accruing from the development of our natural resources in the interests of our people as a whole.

You will be asked to approve a continuation for the ensuing year of the capital assistance available to Municipalities under the Self-Liquidating Projects Act.

To help facilitate both municipal and school administration, my Government in co-operation with municipal and school authorities, proposes to set up a Commission to establish co-terminous boundaries for rural municipal districts and school divisions.

An extensive program of provincial public works will be submitted for your consideration. Substantial appropriations will be requested to provide for necessary public buildings and institutions to meet the needs of our steadily increasing population and the expanding economy of our Province.

You will be asked to approve an expansion of the work of the Research Council of Alberta and of departmental facilities necessary for the active encouragement of further industrial development during the ensuing year.

Your endorsation will be sought for an extension of my Government's program for stimulating cultural activities.

Additional assistance is proposed in the development of regional Public Libraries and increased practical assistance will be offered to communities where Public Libraries already are established.

The further progressive expansion of the provincial Treasury Branch system will be continued throughout the ensuing year. Credit Unions and all practical forms of co-operative enterprise will continue to receive active encouragement and assistance.

Various statutes requiring amendments in the public interest, including a revision of the Alberta Liquor Control Act, will be submitted for your attention.

The Public Accounts for the last fiscal year together with the Estimates for the ensuing year will be presented for your most careful consideration.

I leave you now to apply yourselves to your legislative responsibilities with the prayer that Divine Providence will guide you in all your deliberations.

His Honour the Honourable the Lieutenant Governor then retired from the Assembly.

Ordered, That the Honourable Mr. Manning have leave to introduce a Bill intituled "An Act to repeal The Cities and Towns Emergency Borrowing Powers Act."

He accordingly presented the said Bill and the same was received and read a First time, and

Ordered, That the Bill be read a Second Time tomorrow (Friday).

Mr. Speaker informed the Assembly that in order to prevent mistakes he had obtained a copy of the Speech of His Honour the Honourable the Lieutenant Governor, which was laid on the table.

Mr. Speaker read the following certificate which had been delivered to the Clerk of the Legislative Assembly by the Clerk of the Executive Council:
